Phlebotomy Program Application

Last Name:	First Name:	
Address:		
City:	State:	Zip:
Lakeland ID:	Lakeland Email:	@mail.lakelandcc.edu

Program Admission

Students must be accepted to Lakeland Community College and submit a Phlebotomy Program Application.

The Phlebotomy Certificate Program is open to both traditional and College Credit Plus (CCP) students.

Choose:

☐ Phlebotomy (3601) ☐ Day Program ☐ Evening Programs

Program availability varies by semester and is offered based on enrollment and scheduling. Selection of a preferred program option does not guarantee that it will be offered.

Program Acceptance

Upon acceptance into the Phlebotomy Program:

- Students will receive an Acceptance Acknowledgement Letter with next steps and important deadlines.
- A non-refundable application fee must be submitted by the stated deadline to reserve a seat in the program.
- Students are encouraged to meet with an Academic Advisor to review course requirements and registration.

This program application must be submitted to the Student Service Center (Room A-1003) or via the secure upload form at **lakelandcc.edu/health.**

Student Signature: **Date:**

Phlebotomy Course Registration Authorization
Students accepted into the Phlebotomy Certificate Program are required to complete the Phlebotomy courses according to the established program sequence.

*Please select **one** of the following:*

☐ **YES – I AUTHORIZE AUTOMATIC REGISTRATION**
I authorize Lakeland Community College to register me for the required Phlebotomy courses (HLTH 1245 and HLTH 1255) according to the established program sequence, subject to course availability, eligibility, successful program progression, and applicable College policies and registration requirements.

☐ **NO – I DO NOT AUTHORIZE AUTOMATIC REGISTRATION**
I do not authorize Lakeland Community College to register me for the required Phlebotomy courses. I understand that I am responsible for registering for HLTH 1245 and HLTH 1255 and meeting all applicable registration deadlines.

Phlebotomy Course Sequence

- **First 8 Weeks**
  HLTH 1245 – Phlebotomy Fundamentals and Techniques
- **Second 8 Weeks**
  HLTH 1255 – Advanced Phlebotomy: Competency and Certification Preparation

---

Important Note:
This authorization applies only to HLTH 1245 and HLTH 1255. Students are responsible for registering for the additional courses required for the Phlebotomy Certificate, including HLTH 1215 Medical Terminology and HLTH 1238 Human Body.

HLTH 1215 and HLTH 1238 may be completed before or concurrently with the Phlebotomy courses. Automatic registration is subject to course availability, eligibility, successful program progression, and applicable College policies and procedures.
